

“Living Without an Omentum”

Are you a cancer survivor?
Ovarian or Uterine or Colon or Appendix cancer?
Was your **omentum** removed?
→ *Check your surgical report*

Note:

The workshop, originally planned as an in-person event, will be via webinar, due to COVID-19

Join us for an online, free, educational workshop, “Together We Can Learn about Living without an Omentum”, on Saturday, May 30th. Learn about the omentum, potential ramifications of life without an omentum, and some strategies that might help alleviate the symptoms experienced by some omentum-less individuals. Connect with other cancer survivors also living without an omentum.

WHO: Cancer Survivors Living Without an Omentum
WHAT: An Educational Workshop, *offered via an online webinar*
WHEN: Saturday, May 30th, 2020 (10:00 - 3:00)
